Avocado Pancake Roll Ups

Ingredients:

- 1/2 cup ripe, fresh avocado (halved, pitted, peeled and mashed)
- 2 large eggs
- 1 tsp. fresh lemon juice
- 3/4 cup whole wheat flour
- 1/4 tsp. baking powder
- 1/4 tsp. baking soda
- 1/4 tsp. salt
- 2 Tbsps. Sugar or monk fruit sweetener
- 1/2 tsp. vanilla extract
- 1/3 - 1/2 cup milk (dairy or plant based), as needed to thin batter
- OPTIONAL ADD-INS: plain Greek yogurt, scrambled eggs, nut butter, low-sugar fruit jelly or fresh fruit.

Directions:

1. In a high-speed blender, add avocado, eggs, and lemon juice; then blend until combined. Add flour, baking powder, baking soda, salt, sugar or monk fruit sweetener and vanilla extract; then blend until combined. Add milk and blend until smooth, adding more, if needed to create a thin batter. Note: batter should be thin, so it creates thin pancakes that roll up easily.
2. Spray large skillet with non-stick cooking spray and heat over medium heat. Pour 1/4 cup batter for each pancake into the pan.
3. Once batter begins to bubble slightly and edges of pancakes brown, flip over and continue cooking on the remaining side until pancakes are cooked through (about one minute per side).
4. Remove pancakes from the pan, spread desired filling, roll up, and serve.
